- Utilization of a professional and efficient approach
- Balance between personality and professionalism

PowerPoint Presentations

The PowerPoint presentation serves as a facilitator, aiding in the communication of information.

DINAMICA DE CREȘTERE A SALARIULUI MINIM ESTE MAI REDUSĂ DECÂT A SALARIULUI MEDIU NET

Evoluția salariului minim și a salariului mediu net pe economie în perioada 2008-2018*

* Salariul minim net pe economie a fost calculat de ZF în funcție de nivelul taxării pe salarii din fiecare an; în grafic este prezentată valoarea salariului minim net de la finalul fiecărui an, întrucât au fost ani în care salariul minim a crescut de mai multe ori pe an+C40. ** Pentru 2018 și 2019 datele aferente salariului mediu net sunt preluate de la Comisia de Prognoză, iar salariul minim net din 2019 a fost calculat luând în considerare un salariu minim brut de 2.050 de lei net, cu ajutorul calculatorului venituri.ro.
